I have grown many gardens in many parts of the province, but this year was one of the best on record, and I feel that your seeds were in a large measure responsible for the prolific growth and fine quality. Of special merit were the Gladiola, Sweet Peas, Beans, Corn, Cucumber and Squash. — Mr. H. B. Ricker, Bremner, Alberta.

I have used your seeds for a long time and find them well suited for our short season in the NORTH. Even our spring was dry for the last two years, and we had a good garden. — Mrs. L. Milgate, North Star, Alta.

The seeds we got from you grew and produced real good. The Corn lived right up to its name — Early and Amazing. The free Violas were nice, but the free Trysomic stocks were simply superb. They are still blooming (September 19). We tried some different annuals this year and were amazed at the improvements that has been worked on them in recent years. The Larkspur really surprised us.—Mrs. Hans A. Jensen, Bowden, Alberta.

Candytuft (Giant Flowering)—PRODUCES A RIOT OF COLOR QUICKLY. Flat top cluster of FRAGRANT FLOWERS literally cover the bushy plants. Charming for beds, borders, rock gardens and for cutting. Height, 1 foot. Colors are White, Flesh-Pink, Carmine, Lilac, Rose and Cardinal. We offer these in a mixture of all the colors. Pkt., 10c; 2 pkts., 19c; 3 pkts., 27c.

Chrysanthemums (Summer) — Called Painted Daisies because of the STRIKINGLY SHOWY COLOR COMBINATION and single colors produced. Most of them are beautifully zoned or ringed with multi-colored bands and will give you a wealth of beautiful cutting material. We consider them a real "Garden Gem". Height, 2 feet. Finest mixed. Pkt., 9c; 2 pkts., 17c; 3 pkts., 25c.

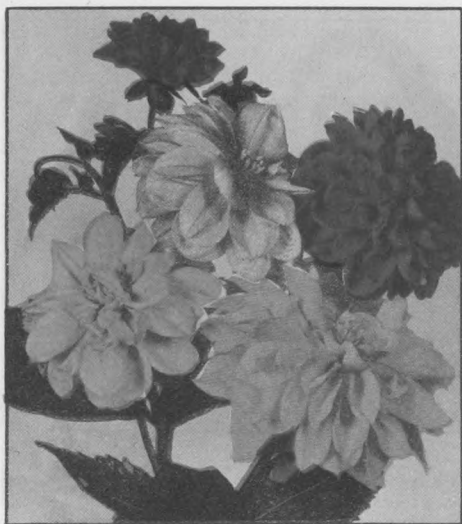

Clarkia (Finest Double) — FOR CAPTIVATING BEAUTY CLARKIA IS HARD TO EQUAL. The dainty double flowers resemble those of the well-known Flowering Plum bush. Massed in beds or borders, they present a PICTURE OF LOVELINESS in the garden or for cutting. Height, 18 inches. Colors: Red, White, Purple, Carmine, Salmon, Pink, Mauve and Rose, all in a delightful blend. Mixed. Per pkt., 11c; 2 pkts., 20c; 3 pkts., 29c.

I have had wonderful success with your garden seeds and Amazing Early Alberta Corn. It is the only Corn to grow for table use and for freezing. — Mrs. Ed. Schultz, Melfort, Sask.

I have been so pleased with your garden seeds that I will continue to grow them. My vegetables and flowers were really good. The colors in the Gladiola were lovely. Thanks so much for them. The discovery of Amazing Early Alberta Corn has really been a GOLD MINE for there are so many seasons when other Corn never matures, but we can always depend on Amazing Early. — Mrs. G. McGowan, Star City, Sask. (Hudson Bay to Prince Albert line in Saskatchewan.)

Last year's seeds were superb. Our garden was a joy. Thank you for your promptness, too, on our order. It's a pleasure to order from your seed house. — Mr. Gordon Ensign, Milo, Alberta.

WINDBREAK TREES FOR PROTECTION AND BEAUTY

Plant Several Rows of Trees for More Pleasant Living, for Shade and Beauty.

North West Poplar — LONG LIFE — FAST GROWING — HARDY TREE, throwing NO COTTON. In a very short time you will have a beautiful windbreak to protect you from winter's icy blasts and also keeps your home several degrees cooler in the summer time. Protects your garden, too. North West will grow anywhere and never winter kills. It is an extremely handsome tree, having large leaves and clean trunks. Fastest growing tree we know of and fully recommended. **PRICE per 100 trees, 2 to 3 feet, \$35.00; 3 to 4 feet, \$55.00; 4 to 5 feet, \$70.00; 5 to 6 feet, \$80.00; 6 to 7 feet, \$90.00; 8 to 10 feet, \$100.00.**

Manitoba Maple—Very drought resistant, hardy trees of unusual beauty. Grows into a dense windbreak, but is not nearly as tall as Poplar. Makes a fine inner row after planting Poplar. You will be sure to admire the Maple. **PRICE per 100 trees, 1-year trees, \$20.00; 2-year, \$25.00.**

Green Ash — DROUGHT RESISTANT, HARDY and of LONG LIFE. Easily transplanted and very useful in a windbreak or as a boulevard tree. Not as fast a grower as North West Poplar. Stands dry weather exceedingly well, making it valuable for prairie planting. **PRICE per 100 trees, 2 to 3 feet, \$35.00; 3 to 4 feet, \$45.00.**

Russian (Pussy Willow) — EXTREMELY HARDY WILLOW rapidly growing into a very dense windbreak or thicket. Stands drought and hot weather. A fine appearing Willow especially in the spring with its multitudes of "pussy willows" adhering to the branches. One row of Willow in your windbreak is of great value. Two Willows should be planted to every one of North West Poplar or Green Ash. Fine for inside or outside rows of your windbreak. **PRICE per 100 trees, 5 to 6 feet, \$35.00.**

Laurel Willow — LONG, SHINY GREEN LEAVES cover the entire bush. Grows quite rapidly and quickly, cuts off the wind. Not quite as hardy as Russian Willow. **PRICE per 100 trees, 2 to 3 feet, \$25.00; 3 to 4 feet, \$30.00.**

Caragana — EXTREMELY DROUGHT RESISTANT bush, thriving almost under any conditions and quickly growing into a thick screen that most effectively breaks the wind. Usually used as an inner or outer row in the windbreak. For windbreak purposes, we suggest one row, having the plants about 3 feet apart in the row. For hedges they should be planted thicker. **Per 100 plants: Seedlings, 8 to 10 inches, \$5.00; 1-foot, \$8.00; 2-foot, \$10.00; 2 to 3 feet, \$11.00.**

Colorado Green Spruce—BEAUTIFUL and HARDY EVERGREENS of great DROUGHT-RESISTANT QUALITIES. Will give you year-round protection and color for both summer and winter. Has fine needles and thick branches. Be sure and plant at least one row. **15 to 18-inch size, \$3.50 each; 18 to 24-inch, \$3.75 each.**

Canadian Green Spruce — Another fine Evergreen of unsurpassed beauty. Very hardy and drought resistant. Trees are shapely and of lovely green color. We think very highly of Canadian Green. **Size 24 to 30-inch, \$3.75 Each.**

Lodge Pole Pine — Everyone likes Pine trees because of their unusual beauty and because they are different to many other evergreens. **Size 2½ to 3 feet, Each, \$3.00.**

NOTE: — Where trees are quoted in lots of 100, any amount may be purchased. In other words, if trees were listed at say, \$25.00 per 100, then the EACH PRICE would be 25c and so on.

PEAT MOSS

Peat Moss — UNSURPASSED FOR STARTING SEED INDOORS, as it retains the moisture and retards weed growth. Splendid also for flower beds, potting plants, etc. In one peck bags. (Eight pounds more or less). **Price per 1-peck bag, \$1.65, POSTPAID TO YOU.**

FERTILIZERS

Vigoro Plant Tablets — A TABLET NOW AND THEN keeps your plants in good growing condition. Easy and clean — no fuss and bother. Keep foliage luxuriantly green. Contains all the elements needed for healthy growth. **Per card of 12 tablets, 20c per card. Postpaid.**

New Pink Vigoro — THE MARVELLOUS NEW ALL-PURPOSE PLANT FOOD for shrubs, vegetables, flowers, lawns, and trees. New Improved, richer formula. Easier to use, clean, dust free, odorless granules that spread evenly, smoothly. Full instructions for use on the box. **3-pound box, \$1.15; 6 pounds, \$2.10; 9 pounds, \$3.30. All Postpaid.**

Floralife or Bloomlife — ADDS LIFE TO YOUR CUT FLOWERS BY MANY DAYS, even to doubling the length of life after cutting. Also imparts a FINER, DEEPER COLOR AND FRAGRANCE TO YOUR CUT FLOWERS. Full directions on packet on how to use. Just put in the water. **Pkt., 15c; 2 pkts., 29c; 3 pkts., 43c.**

PERENNIAL FLOWERS

(Field Grown Roots)

LET FLOWERS BRING TO YOUR GARDEN THE ROMANCE OF THE FAR CORNERS OF THE EARTH TO DELIGHT YOU WITH THEIR DIFFERENT GRACE AND LOVELINESS.

Achillea (The Pearl) — TROUBLE FREE and HARDY ANYWHERE. Glistening SNOW WHITE FLOWERS borne in great abundance on 18- to 24-inch plants. We like them because they flower so freely and for such a long time. Flowers resemble small Chrysanthemums. Nice for cutting. Each, 55c; 3 for \$1.50; 6 for \$2.90.

Aster (Tall Blue) — Not to be confused with the annual Aster. Perennial Aster having daisy-like flowers about 1½ inches across in large masses. Exceedingly valuable as it comes into flower when other perennials have finished. Height, 2 to 3 feet. Splendid for cutting. Each, 50c; 3 for \$1.35; 6 for \$2.65.

Aster (Pink)—A FINE DISTINCTIVE PINK selection of the above. Flowers are a little larger than the Blue form. Make a remarkable show in early Autumn, flowering until frost sets in. Height, 2 to 3 feet. Each, 55c; 3 for \$1.50; 6 for \$2.90.

Bleeding Heart—OUTSTANDINGLY BEAUTIFUL and POPULAR PLANT and so easily grown too. Comes into bloom a few weeks after planting. Bleeding Heart flowers are heart-shaped, Rose-Red in color on gracefully arched branches. Comes into flower very early in the season. Bleeding Heart IS EVERYONE'S FAVORITE. Each, Medium-size Roots, \$1.40; Heavy Roots, \$1.65.

Buttercup — BRILLIANT DOUBLE BUTTERCUP-YELLOW FLOWERS are borne profusely on long stems making them one of the showiest of plants. Very nice for cutting too. We consider this one of the best Yellow perennials. Height, 18 inches. Extremely popular and hardy anywhere. Each, 50c; 3 for \$1.35; 6 for \$2.65.

Columbine (New Crimson Star) — NEW, SENSATIONALLY BRILLIANT Columbine with CRIMSON SEPALS and SPURS, contrasting vividly with the beautiful White petals. Very hardy and easily grown. Try these FOR A SPOT OF STARTLING COLOR in your garden. Height, 18 inches. Each, 60c; 3 for \$1.65; 6 for \$2.95.

Columbine (New McKana's Giants) — NEW COLORS, NEW SHADES — MANY NEVER SEEN BEFORE. Flowers are huge with long spurs all beautifully colored. They are ALL-AMERICA PRIZE WINNERS. Height, 18 to 24 inches. Each, 75c; 3 for \$1.95; 6 for \$3.85.

Columbine (Mrs. Scott Elliott)—Extremely popular, long spurred variety, striking even on dull days, brilliant in full sunlight. Many beautiful shades and colors. Height, 20 inches. Mixed colors. Each, 50c; 3 for \$1.35; 6 for \$2.65.

Delphinium (New White Galahad) — GLISTENING WHITE PACIFIC HYBRID. HUGE, LONG SPIKES; each individual flower of enormous size. Visitors at the nursery rave over them, they are so beautiful. Each, 70c; 3 for \$1.95; 6 for \$3.50.

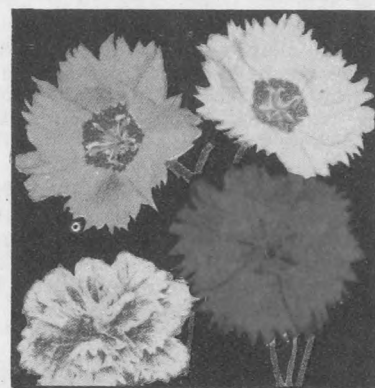

I received my perennial flowers, all in excellent condition. Such lovely plants. Thanks — Mrs. J. Vanstone, Rimbey, Alberta.

When people come over and talk to me about my flowers I tell them they are all from the Alberta Nurseries. I will not plant any other seeds than from the Alberta Nurseries because the seeds come up so thick and grow so nice. — Mrs. Harry Rogalsky, Mundare, Alberta.

Delphinium (New Pacific Giants) — NEWEST — BEST — FINEST DELPHINIUM KNOWN. HUGE, STATELY SPIKES bearing masses of very large individual flowers. They are magnificently beautiful. As these are hybrids, THEY DO NOT COME IN SEPARATE COLORS, but come in Dark and Light Blue, Indigo Blue, Purple, Mauve, Pink and Lavender. We cannot guarantee any particular color. Each, 65c; 3 for \$1.75; 6 for \$3.40.

Daisy (White Shasta) — Splendid flower for cutting and superb in the garden, with their LARGE GLISTENING WHITE flowers with Golden Centres. There is always a place for Daisies. Each, 50c; 3 for \$1.35; 6 for \$2.65.

Dianthus (Garden Pinks, Tall) — SPARKLING, VELVETY CRIMSON FLOWERS, 1 INCH ACROSS, having BEAUTIFUL FRINGED EDGES. Splendid for cutting as it carries well and very showy indeed in the garden. Height, 18 to 24 inches. Each, 50c; 3 for \$1.35; 6 for \$2.65.

Dianthus (Garden Pinks, Dwarf) — You will like this variety very much as the flowers are always perfectly formed, with an unbelievable number of blossoms produced over quite a long season. Height, 12 inches. Each, 50c; 3 for \$1.35; 6 for \$2.65.

HARDY OUTSIDE ROSES FOR OUR CLIMATE

These Roses are particularly valuable for hardiness, healthiness and ability to thrive outside.

Roses lavish on your garden a loveliness of shape and color few artists can portray. **Persion Yellow**—FINEST OUTDOOR YELLOW ROSE, having brilliant, double yellow Blooms of finest form. Neat, upright growth coupled with hardiness make them extremely valuable. Prices at bottom of Roses.

Hansa — FRAGRANT, HARDY, DOUBLE RED Rose of great beauty, especially designed for outdoor growing. It is extremely hardy, requires no covering and blooms prolifically. Very colorful in either your garden or landscape.

George Will — LARGE, DOUBLE PINK counterpart of Red Hansa. It is very hardy and blooms profusely in spite of adverse conditions often found in this climate. An outside Rose, wonderful in the landscape.

F. J. Grootendorst — CHERRY-RED, SEMI-DOUBLE, fringed blooms resembling Carnations or Baby Rambler Roses, blooming continuously. You will want to plant it in your shrub border where it will make a fine splash of color.

Sir Thomas Lipton — PURE WHITE, semi-double blossoms of fine fragrance. It is hardy and a prolific flowerer. We know you will like this glistening White beauty.

Pink Grootendorst — Often called the Carnation Rose. It produces masses of small, clear Pink blooms in large clusters on hardy plants. Can be depended upon to be outstanding for brilliance of color.

Rose Rubrifolia — Outstanding landscape Rose with its pretty reddish-purple leaves throughout the summer together with masses of very showy, single Pink flowers. The leaf system makes a great contrast when combined with other shrubs in the landscape. Extra hardy.

Betty Bland — A tall-growing, extremely hardy, double Pink Rose of great value especially during winter as it has handsome reddish bark. Bears large quantities of lovely blooms. Very few thorns.

Prices for any of the above listed Roses: EACH, \$1.95.

VINES VIRGINIA CREEPER

Virginia Creeper — Beautiful, permanent climbing vine suitable for trellises, porches, walls, lattice-work, etc. The handsome foliage is luxuriant and turns pretty shades of Reddish-Bronze in the fall. Heavy field grown roots, Each, \$1.25.

LAWN SEED

Lawn Seed, Special Mixed—Our SPECIAL MIXTURE produces a most beautiful green lawn, thick and velvety. Mixtures insure a deep green color from spring to frost, much better than do one single grass. We can highly recommend this Special Mixture to you as it is very hardy and dependable. Sow 1 pound to every 150 or 175 square feet. Instructions on how to prepare and sow with every shipment. Per Pound, \$1.10.

Creeping Red Fescue — IN EITHER SUN OR SHADE Fescue does well and produces a tough, hard wearing grass that is very valuable especially where children play a good deal. Makes a thick Green lawn you will be proud to own. Very hardy and drought resistant. Sow 1 pound to every 150 or 175 square feet. Instructions for sowing. Per pound, 89c.

INCREASE THE ENJOYMENT OF YOUR HOME WITH SHRUBS

Alpine Currant — Low-growing, dense, neat shrub doing well in any location, particularly in the shade. Has pretty green foliage. Flowers are Yellow, rather small, but delightfully fragrant.

Caragana Lorbergii (Half Weeping) — Beautiful Feathery, Fern-like leaves having a weeping or drooping effect, greatly enhancing the beauty of this fine shrub. Splendid for the background or as a lawn specimen. Not a bit like common Caragana as these are specially grafted specimens. Grows fairly tall. **Each, large size, \$3.25.**

Cotoneaster (Acutefolia) — First plant to leaf out and the last to lose them in the fall. Handsome, shiny green leaves, carried all the way to ground level. An OUTSTANDING, medium-sized shrub in every respect.

Cranberry (American High Bush) — A beautiful shrub bearing large clusters of BRIGHTEST RED EDIBLE BERRIES, preceded by Creamy-White Flowers. Grows in sun or shade.

Cut Leaf Elder — Large cymes of pretty White flowers are followed by large clusters of SCARLET-RED BERRIES greatly enhancing this outstanding bush. The leaves are a pretty Green with notched or serrated edges. Its handsome and hardy.

Flowering Plum (Prunus Triloba) — IMMENSELY POPULAR shrub bearing large quantities of GORGEOUS PINK FLOWERS LIKE SMALL ROSES. Highly recommended. Bushes 2 to 3 feet, **Each, \$3.95.**

Flowering Cherry (Nanking) — A lovely flowering shrub for the landscape. Flowers are a pretty Pink, followed by brilliant Red Cherries of fine flavor. The Cherries of course, are not large. Foliage is excellent. A fine dual-purpose shrub. **Each, large, \$3.10.**

Flowering Currant — Fairly tall shrub. Flowers are yellow, followed by quantities of luscious berries making the finest of jelly.

Ginnalian Maple — Noted for its beautiful leaves that are deeply cut and looking like the Eastern Maple in miniature. They turn a deep Reddish-Bronze in the fall adding to its charm. Size, 2 to 3 feet.

Gold Drop (Potentilla) — BRILLIANT GOLDEN-YELLOW FLOWERS like Buttercups are borne in profusion on shrubs dwarf in habit. Handsome fern-like leaves. One of the best flowering shrubs.

Golden Elder — LARGE, BRILLIANT YELLOW LEAVES when in full sunlight. Make a wonderful contrast when intermingled with the "green" of other shrubs. Has Creamy-White flowers in the form of flat-topped cymes. Naturally Golden Elder enjoys great popularity.

Golden Leaf Spirea — HANDSOME, GOLDEN FOLIAGE, very useful for contrast effect. Low-growing and very hardy, this lovely ornamental bush has a place in every landscape. We consider it one of the best.

Honeysuckle (Tartarian) — Beautiful, fragrant Pink flowers are borne in great abundance, followed by clusters of showy berries. A great favorite.

Honeysuckle (Zabeli) — The same as Tartarian, only the handsome, large flowers are A GLISTENING DEEP RED.

Mockorange (Lewesii Waterton) — ORANGE BLOSSOM-LIKE FLOWERS that are DELIGHTFULLY SWEET SCENTED, are borne in great profusion on medium-sized bushes. We know of no other flowering shrub that will give you so much pleasure. Fully hardy.

Purple Leaf Plum — Prized for its handsome Purple-Red foliage. Fits in well in any position in the landscape, making a nice contrast. **Each, Large Size, \$3.10.**

Red Berried Elder — Broad panicles of Creamy flowers are followed by lovely clusters of BRILLIANT SCARLET BERRIES. Grows fairly tall. Exceedingly handsome and hardy shrub.

Russian Olive — Beautiful Grey-Green foliage COVERED WITH SILVERY DUST. In the autumn, Orange berries appear. This shrub is exceedingly drought resistant. Grows fairly large. Recommended.

Siberian Cornus (Dogwood) — With its BLOOD RED BARK it is showy in both winter and summer, but noticeably so when snow is on the ground. Flowers are white.

Spirea Froebeli — A CHOICE, low-growing shrub with flat flower clusters of Deep ROSE RED in mid-summer. A fine, colorful shrub for the foreground or for foundation planting of modern low-type homes.

Spirea Trilobata — NEW AND RARE White Spirea having flowers like Van Houttei, but is fully hardy and does not winter kill. A rather low-growing bush, suitable for the modern home. We consider it one of the best.

Spirea Billardi — Lone spikes of Rose colored flowers top this medium-size bush after nearly all other varieties have finished flowering, thus it is very popular for landscape planting.

Spirea Flexuosa — NO WINTER KILLING when you plant Flexuosa. Extremely hardy shrub, bearing masses of pure White flowers on neat, upright bushes. If you have had trouble with winter killing, try this hardy beauty.

Spirea Media — LOW-GROWING White Spirea, very useful in the foreground or for low, modern homes. Flowers almost cover the bush. Leaves a pretty Green.

Spirea Ash Leaf (Sorbifolia) — NEW UPRIGHT TYPE with exceedingly handsome fern-like leaves. Has pretty Creamy White flowers in the form of spikes. Very hardy. Splendid in the landscape.

Spirea Van Houttei — Graceful arching branches, studded with glistening White flowers from top to bottom. One of the prettiest of all the Spirea.

Spirea Trichocarpa — FROM KOREA, this comparatively new plant is both hardy and beautiful, with its large masses of glistening White flowers. Greatly in its favor, is the outstanding hardiness.

Viburnum — An exceedingly ornamental plant producing clusters of White flowers something like the Snowball, only very much hardier. Attractive berries form in the fall. Fully recommended.

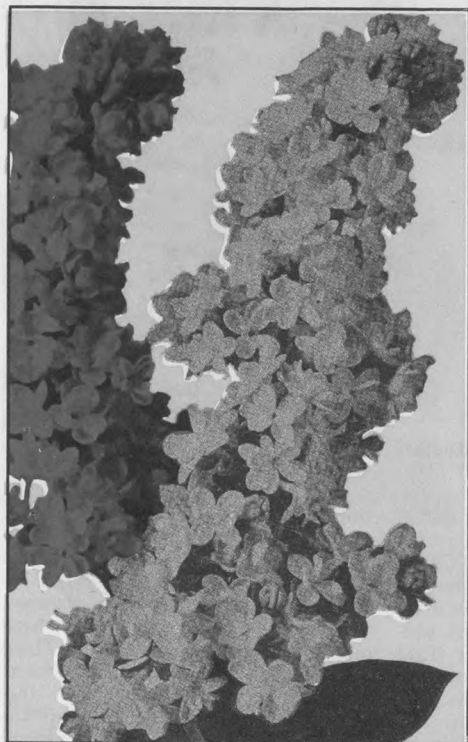

PRICES of all Ornamental Shrubs, unless otherwise noted. Medium, Each, \$1.90; Heavy Size, \$2.45.

SPECIAL NOTE : — HEAVY SIZE are one year older than Medium Size and naturally have heavier root systems. Both sizes are well rooted, branched and landscape size.

I want to thank you for sending my trees. I am very pleased with my Blue Spruce. I know that it will grow. Thank you very much. — Mrs. Ellen Maxfield, R. 4, Edmonton, Alberta.

I have been getting your seeds for around 20 years and had a lovely garden, even though it was dry. We like your seeds. Thank you. — Mrs. Charles McFadden, Northmark, Alberta.

LILACS

FRENCH GRAFTED LILACS HUGE FRAGRANT BLOSSOMS YOUR COLOR CHOICE

Charles Joly — HUGE, DOUBLE, WINE-RED BLOSSOMS held well above the foliage. Prices see bottom of French Lilac.

Jan Van Tol — GLISTENING DOUBLE WHITE FLOWERS, the panicles of which are dense and broad. Unquestionably the "cream" of the White Lilacs.

Belle De Nancy — Large panicles of SATINY-PINK BLOSSOMS are borne in great abundance. Exceedingly colorful to say the least. Fully Double.

Ludwig Spaeth — IMMENSE TRUSSES of LARGE, DOUBLE Reddish-Purple blooms that are thrillingly beautiful. Very hardy and immensely popular.

President Lincoln — LARGE PYRAMIDAL CLUSTERS of flowers, the nearest to a true BLUE possible. A most unusual color and very attractive. Double.

NOTE:—Lilacs should be planted 3 inches deeper than in the nursery.

PRICES of French Lilacs — Each, 18 to 24 inches, \$3.95; 2 to 3 feet, \$4.10.

EXTRA HARDY LILACS ON THEIR OWN ROOTS (Not Grafted)

Lilac Villosa — NON-SUCKERING, HARDY and PROFUSE FLOWERING. Never winter kills. BEAUTIFUL PINKISH-PURPLE BLOSSOMS, literally COVER THE RUGGED BUSHES. This Lilac has a wonderful fragrance. Grows fairly tall. Prices at bottom of Lilac.

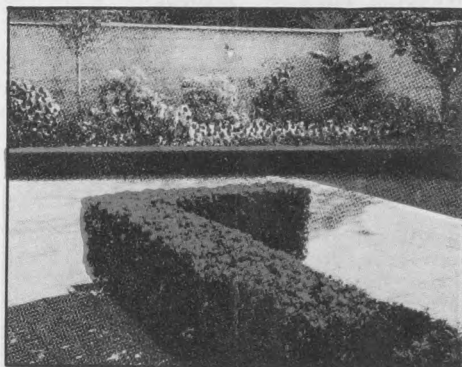

Lilac White—As these lovely White Lilacs are grown on their own roots (not grafted) they are extra hardy and prolific. Beautiful trusses of large, glistening white flowers can easily be yours by planting this superb variety.

Lilac Persian — LOW-GROWING TYPE well suited to low, modern homes. The slender branches bear masses of pretty Lavender-Purple flowers. Spikes are good sized and held well above the foliage. Very hardy and can stand dry weather.

Lilac Charles Tenth — ALWAYS FLOWERS MAGNIFICENTLY and can always be depended upon to attract attention wherever planted. Large, broad spikes of Deep, Reddish Purple blooms making a simply gorgeous show. This fine, hardy Lilac is very heavily scented.

PRICES FOR LILACS ON THEIR OWN ROOTS — Each, Medium, \$2.75; Heavy size, \$2.95.

HEDGES

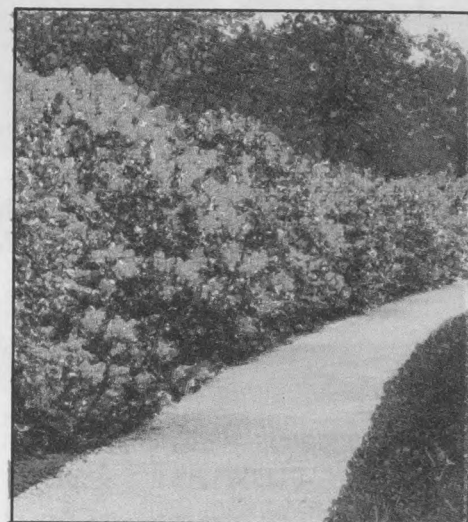

Cotoneaster (Acuteifolia)—FINEST DWARF HEDGE IT IS POSSIBLE TO PLANT. Shiny green leaves right to ground level. Easily trimmed as it is fine twigged. All plants on grass, will grow right up to it, without affecting their growth. In the fall the leaves turn a lovely bronze color. Clusters of black berries also appear. Very hardy. Plant in a single row, 12 to 18 inches apart. 9 to 12-inch size, 50c; 15 to 18 inches, 60c; 18 to 24 inches, 75c each. All sizes heavily rooted.

Honeysuckle Hedge — HANDSOME AND DROUGHT-RESISTANT hedge, exceedingly valuable where a taller hedge than Cotoneaster is required. Has delightfully sweet-scented flowers, followed by masses of brilliant berries. Easily trimmed and very hardy. Plant in a single row, 18 to 24 inches apart. Heavy hedge size, 75c each.

Caragana — LOW - PRICED, HARDY, DROUGHT-RESISTANT HEDGE. Forms a beautiful green hedge defying drought and adverse conditions. Turns aside strong winds easily. Plant 6 inches apart in a single row, or 1 foot apart in a double row, staggering the plants. Seedlings, 8 to 10 inches, \$5.00; 1 foot, \$8.00; 2 feet, \$10.00; 2 to 3 feet, \$11.00 per 100 plants. You can order less than 100 if you wish. Prices would be 5c, 8c, 10c and 11c each, according to size listed.

BEAUTIFUL HEDGES FOR PRIVACY AND PROTECTION

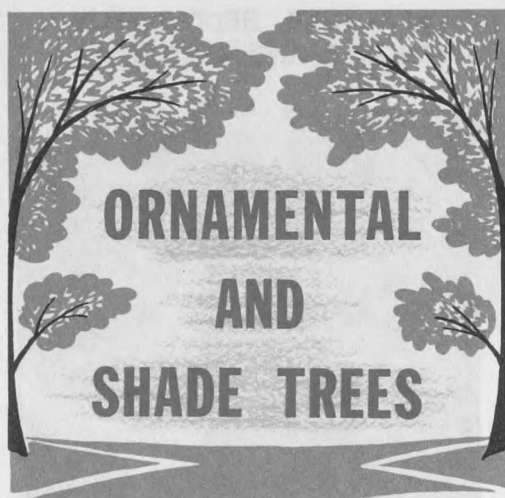

Villosa Lilac — NON-SUCKERING BEAUTIFUL HEDGE, extra hardy and drought resistant. Easy to trim and leafs out down to ground level. No bare spots. The PINKISH-PURPLE BLOSSOMS are borne in great profusion. A wonderful division hedge or for around the back yard. Plant in a single row, 2 feet apart. 15 to 18-inch size, 65c; 18 to 24-inch, 80c EACH.

Manchurian or Chinese Elm — Makes a fine hedge particularly in the Eastern parts of Alberta and in Saskatchewan where it thrives magnificently. Fast growing, it makes an excellent hedge very quickly. Plant in a single row, 2 feet apart. 18 to 24-inch size, 55c each.

Laurel Willow — Where a taller hedge is required, Laurel Willow fills the gap quite effectively. Has handsome, shiny green leaves never appearing dirty and dusty. Should be planted in a single row, 1½ to 2 feet apart in the row. Heavy Hedge Size, Each, 30c.

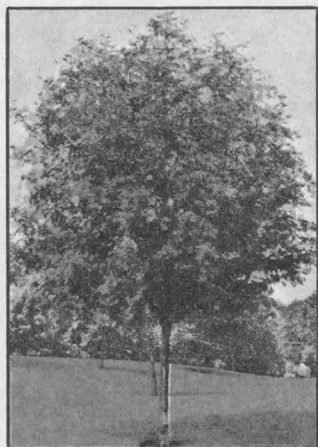

Received our nursery stock and finished planting it. The great care taken in packing, brought the plants to us in good condition after a week enroute. The large size of the shrubs really surprised us. Be assured we are grateful for your interest in our needs. Thanking you sincerely, Mrs. M. G. Stauffer, To-field, Alberta.

Please find enclosed a snap of the Lily pond my husband built. It was a great success out here as there are not any around. What I really want to RAVE about is the Dolga Crab I got from Alberta Nurseries. Is it ever nice — such a well-balanced tree. I never saw a tree that would grow and leaf out so fast the first summer, and it looks like it has been there for several years. — Mrs. Mary Samuelson, Kinuso, Alta.

TREES FOR SHADE AND FLOWERS

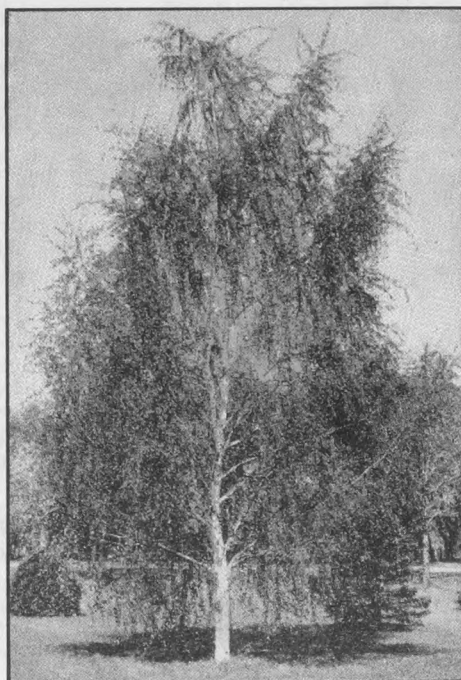

The Backbone of The Landscape Composition.

Mountain Ash — A BEAUTIFUL, HIGHLY POPULAR LAWN TREE with its BRILLIANTLY COLORED RED BERRIES, hanging in heavy, showy clusters through the months of fall and early winter, plus A LOVELY DISPLAY OF BROAD PANICLES OF WHITE FLOWERS in SPRING, PLUS a fine, shapely tree having very pretty leaves, turning delightfull tones of Red, Orange and Yellow in the fall. Mountain Ash is everything — and more, than you could ask for. Each, 3 to 4 feet, \$4.00; 4 to 5 feet, \$5.00; 5 to 6 feet, \$6.00.

Dolga Flowering and Fruiting Crab — BIG, BROAD, BEAUTIFUL FLOWERS COVER the upright, shapely trees. They make wonderful LAWN SPECIMENS and thus serve a dual-purpose. The fruits are a BRILLIANT SCARLET, borne in great profusion and last, but not least, the trees are very, very hardy. Dolga makes the finest jelly we know of, requiring little added Pectin. Trees about 5 to 6 feet, Each, \$3.90 (Grafted trees).

North West Poplar — FAST GROWING, "COTTONLESS" TREE of great beauty and long life. They are hardy and drought resistant and will give you shade very fast. Each, 4 to 5 ft., \$1.25; 5 to 6 ft., \$1.75; 6 to 7 ft., \$2.25; 7 to 8 ft., \$2.50; 8 to 10 ft., \$3.00.

Weeping Birch — GRACEFUL WEEPING TREES having BEAUTIFUL SILVERY BARK and covered with masses of handsome, finely-cut foliage. Even in winter, the drooping branches form a lovely silhouette. No other tree has the attraction or beauty of the Weeping Birch. Recommended. Each, 4 to 5 ft., \$8.00; 5 to 6 ft., \$10.00; 6 to 7 ft., \$12.00; 7 to 8 ft., \$15.00.

Hawthorne (Crataegus)—Does not grow too large and thus makes a fine Lawn Tree. Beautiful glossy, green foliage and light Pink, fragrant flowers, sure to add zest to your landscape. Each, 3 to 4 feet, \$4.00.

Silver Birch — WINTER OR SUMMER, they are OUTSTANDINGLY BEAUTIFUL, with their beautiful green leaves and silvery bark. Extra hardy and drought resistant. We recommend them as the finest tree. Each, 4 to 5 ft., \$3.50; 5 to 6 ft., \$4.50; 6 to 7 ft., \$5.50; 7 to 8 ft., \$6.50.

Green Ash — An extra fine tree well suited to dry land. Does well in the boulevard or as a specimen tree in the landscape. Trees are disease resistant and live a long time. Very hardy. Each, 4 to 5 ft., \$2.50; 5 to 6 ft., \$3.00; 6 to 7 ft., \$3.50; 7 to 8 ft., \$4.00.

May Day Tree — SPRING FLOWERING TREE of great beauty and hardness. Does not grow too tall, but as it is somewhat spreading, provides shade quickly. Flowers are White and literally cover the trees. Highly recommended. Each, 3 to 4 ft., \$3.25; 4 to 5 ft., \$4.25; 5 to 6 ft., \$5.25.

Laurel Leaf Willow — Fast growing, symmetrical tree of great beauty, with its handsome, shiny green leaves never showing dust. We have a lovely tree just outside our office which we prize very highly. Each, 4 to 5 ft., \$3.50; 5 to 6 ft., \$4.25.

NOTE: — Please write us if interested in CLUMP TYPE TREES.

EVERGREENS FOR YEAR-ROUND BEAUTY OF FOLIAGE

Kosters Blue Spruce (Grafted) — BEAUTIFUL SILVERY BLUE SPRUCE, broad pyramidal in shape, they impart a delightful feeling of permanence. Blue Spruce are without any doubt the MOST POPULAR and sought after tree, because they are beautiful in either summer or winter. Blue Spruce should be watered in hot or dry weather as they may lose a little color under these conditions. They also respond extremely well to bone meal fertilizer which seems to enhance the silvery blue color of the tree. Trim the tips very lightly to maintain symmetrical lines and growth. Prices, Each, 12 to 15 inches, \$10.00; 15 to 18 inches, \$12.00; 18 to 24 inches, \$14.00; 24 to 30 inches, \$16.00.

Savin Juniper—BEAUTIFUL, FAN-SHAPED EVERGREENS, having feathery foliage. It is exceedingly valuable as it is low growing and suits the modern home well. Measured by spread. 24 to 30-inch spread, \$12.00; 30 to 36-inch spread, \$14.00 Each.

Mugho Pine — LOVELY DWARF PINE, having tufted foliage, that when sheared, appears like many small candles facing upward. Ideally suited to the modern landscape. Measured by spread. 15 to 18 inches, \$11.00 Each.

Colorado Blue Spruce — Another Silvery needled beauty with the outstanding conical-upright form most gardeners want. Colorado are very drought resistant and thus are easily transplanted. The trees ARE HANDSOME no matter HOW or WHERE they are placed. May be planted as a specimen or in groups of three. Not as Blue as the Grafted Kosters Spruce. 15 to 18 inches, \$6.00; 18 to 24 inches, \$8.00; 24 to 30 inches, \$10.00 Each.

Colorado Green Spruce — Grows exactly the same as the Colorado Blue, but the needles are a delightful shade of Green. Branches are thick and gracefully covered with dense foliage. Excellent as a specimen, in groups or for a windbreak. 18 to 24 inches, \$5.75.

SUMMER SHADE FOR LOUNGING SPOTS

FRUIT TREES - SMALL FRUITS

ASPARAGUS
